

# Summer Seminar in Healthcare Ethics

**July 29–31, 2024**

**Monday to Wednesday**

**8:00am–3:00pm PST**

UW School of Medicine DEPARTMENT OF BIOETHICS AND HUMANITIES HEALTH THROUGH SOCIAL JUSTICE

## 2024 Summer Seminar

The Department of Bioethics and Humanities invites you to the 36th annual Summer Seminar in Healthcare Ethics. We will host the conference online this year with synchronous and asynchronous material.

### Overview

The annual Summer Seminar is an intensive, interactive introduction to the 'four-box method' of analysis of ethical problems in clinical ethics, developed by Jonsen, Siegler, and Winslade in their book *Clinical Ethics*. Lectures are designed to familiarize participants with basic definitions and arguments in major topics of clinical ethics. The Seminar also addresses elements of the Core Competencies in Health Care Ethics Consultation and can help attendees prepare for the healthcare ethics consultation certification exam.

### Cost & Registration

\$315 - Registration Fee  
Register ahead of time to gain access to course materials

**21.25 AMA  
PRA Category  
1 Credits™**

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Objectives

1. Identify fundamental concepts and principles for the understanding of ethical issues in clinical care
2. Implement a method for analyzing ethical cases in clinical health care
3. Employ skills in decision-making for clinical cases that present ethical problems
4. Discuss current issues and cases in health care ethics
