

AM I “ABUSIVE”?

**She says I am.
I know I scare her,
but I'm a good guy,
have a decent job,
and love my family.**

Sometimes it helps to talk with someone who understands.
Call us from any phone for complete privacy. A UW study.

The **MEN'S DOMESTIC ABUSE CHECK-UP** can help if you are concerned about your behavior toward your loved ones.

- It's a chance to take stock of what you're doing and think through your options.
- It's respectful, free, private, and all by phone. You can even be anonymous.

If you or someone you know would like more information about the Men's Domestic Abuse Check-Up, please contact us at:
